The National Naval Officers Association (NNOA) is a nonprofit, nonpartisan, and nonsectarian organization whose purpose is to support the mission of the Sea Services of the United States by supporting their policies, providing training for officer career development and retention, improving and assisting in minority recruitment, establishing and maintaining a positive image of the Sea Services in communities, schools and universities, and engaging in activities which carry out the purposes of the NNOA mission. Membership is open to any person holding or having held a regular or reserve commission or warrant officer of the U S Coast Guard, Marine Corps and Navy or other interested parties.
